

The screenshot displays the NSPD Geoportal interface. On the left, a sidebar contains navigation links like "Назад к найденным объектам" and tabs for "Информация", "Сервисы", "Объекты", "Части ЗУ", and "Состав". The "Информация" tab is active, showing details for land plot 64:22:041401:391, including its date of assignment (05.05.2026), cadastral number, address, area (17,960 sq.m.), status (accounted), category (land of populated areas), permitted use (for personal subsidiary household), ownership form (-), cadastral value (2,069,890 rub.), and unit price (115.25 rub./sq.m.). The main area features a map with the plot highlighted by a red rectangle. A legend at the bottom indicates that no specific parts are highlighted for this object.
